O Allah, O Highest, O Greatest, O Clement, O all-Knowing; You are my Lord and Your knowledge is my sufficiency; How perfect, then, is my Lord, how perfect my sufficiency; You give victory to whom You will, and You are the Almighty, the Merciful! We ask for your protection, in movements and rests, in words and desires and thoughts; From the doubts and suppositions, and fancies that veil hearts beholding things unseen! For: The believers were tested and mightily shaken. remember when the hypocrites and those in whose hearts is disease said: "Allah and his Messenger did not promise delusion. So make us steadfast, give us victory, and subject to us this Sea! As You subjected the sea to Musa (as), The fire to Ibrahim (as), The mountain and iron to Dawud (as), The wind and demons and jinn to Sulaiman (as)! Subject to us every sea You possess in the earth and the sky, The kingdom and the dominion, the sea of this life and the sea of the Hereafter, Subject to us everything! O You in whose hand is dominion of everything! Kaf – Kifaya (Sufficiency) Ha - Hidayah (Guidance) Ya - Wilaya (Succour) Ain – Ain (Care) Sod – Sidq (Truthfulness) (x3) best who give victory; Clear our vision, for You are the best who clear visions; Forgive us, for You are the best of forgivers; Have mercy on us, for You are the best of the merciful; Give us sustenance, for You are the best of providers; Guide us, and save us from the wrongdoing folk! Give us a goodly wind, as may be in Your knowledge; Loosen it upon us from the storehouses of Your mercy; And carry us upon it in honour, with safety and wellbeing in our religion; In our life in this world, and in the world to come; You have power over all things! O Allah, give us ease in our affairs, with peace in our hearts and bodies, And safety and wellbeing in our worldly life and our religion; Be our companion in our travels, and keep watch over our families in our stead; Blot out the faces of our enemies and fix them where they stand, So they can neither move nor reach us! Had we willed. We would have blotted out their eyes; and they would race to the path, but how should they see? Or had We willed, We would have fixed them where they stood, so they neither could go forward, nor return. Yaseen. By the Wise Quran. Truly, you are of the messengers upon a straight path. This is a revelation of the Almighty, the Merciful. That you might warn a people whose forefathers were not warned, so they heed not. Already has a sentence been passed against most of them, so they believe not. Verily, We have placed shackles on their necks, even up to the chins, so they end not. And We have placed a barrier before them, and a barrier behind them, and enshrouded them, so that they see not. Disfigured be those faces! (x3) And faces shall be humbled before the Eternal, the All- Sustaining. While whoever bears wrongdoing shall have failed!

He has loosened the two seas; they come together, but between them is a barrier they do not cross!

Ha. Meem (x7)

Ha Meem is for protection which is why the Messenger of Allah (SAW) said to the companions at Uhud: "Let your battle cry be Ha Meem, they shall not be victorious!

The matter is done. The victory has come. Against us they shall not be helped. Ha Meem. The revelation of the Book from Allah, the Almighty, The All-Knowing, Ha Meem. The revelation of the Book from Allah, the Almighty, Forgiver of Sins, Acceptor of Repentance, Terrible in Punishment, infinite in Bounty; No God is there but He; Unto Him is the final becoming.

Bismillah is our door, Tabaraka is our walls, Yaseen is our roof, Kaf Ha Ya Ayn Sad is our Sufficiency, Ha Meem. Ain Seen. Qaf. is our protection.

Allah will suffice you against them, and He is the All-Hearing, the All-Knowing.

(x3) The veil of the Throne has been dropped over us; The eye of Allah is gazing upon us; With the Power of Allah none shall overcome us. And Allah encompasses them from behind. Nay it is a noble recitation, in a guarded tablet.

For Allah is best as Protector, and He is the Most Merciful of the merciful! (x3)

Indeed, my protector is Allah, who has sent down the Book; and He is an ally to the righteous. (x3) Allah is my Sufficiency, there is no god but He; on Him I rely,

And He is Lord of the Mighty Throne (x3) In the name of Allah, against whose Name, nothing can cause harm in the earth nor the sky; And He is the All Hearing, the All- Knowing. (x3) There is no power, and no strength, save by Allah, the Highest, the Greatest. (x3) And may Allah bless our master Muhammad and his family and his companion and grant them much peace.

Exalted is your Lord, the Lord of might, above what they describe. And peace upon the messengers. And praise to Allah, Lord of the worlds.
